Mr Richard Campion

REDACTED

Dear Mr Campion

Thank you for your letter of 1 June and for your letter of 5 June 2007 regarding the other persons who have written to you about their experiences in the North Coast Children's Home.

Your response to my letter is appreciated. I believe that by taking these actions the other persons will have their complaints properly addressed and receive appropriate care and support.

Mr McLary has now informed officers of Taskforce Argos in the Queensland Police Service of the abuse, and I am advised that the Taskforce will pass on the information to the NSW Police.

I wrote to Bishop Keith Slater of the Diocese of Grafton and encouraged him to seek other victims of abuse in the Home to offer them an opportunity for their complaints to be heard and to receive appropriate support and counselling.

I am aware that you and your sister are to meet soon with Bishop Keith Slater. I hope that this leads to a satisfactory apology and a constructive way forward.

Yours faithfully

TPB
