BISHOP OF THE ANGLICAN DIOCESE OF GRAFTON

Thursday, 22 November 2007

Mr Richard Campion

REDACTED

Dear Richard,

Thank you for your letters of November 13 and 21.

1. I am sorry about the copy of the deed of release not being forwarded to you. I have been coming and going over the past month or so. I have been out of the Office much of the time.

I am enclosing a copy of it with this letter.

If after reading the deed of release you decide to sign then the offer of a Care Package as per my letter of 14 August 2007 is still on the table.

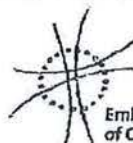

1. *"to pay you a Care Package at the upper level of that agreement; i.e. \$22,000, less payments of any amounts due to Medicare Australia, recognising that you will get the full advantage of this amount rather than a significant portion being absorbed by legal fees"*
2. *"to continue to pay for the 10 sessions of counselling which you are presently undertaking (as per my letter 10 June 2007); recognising that the Diocese has already contributed \$8,500 towards counselling previously undertaken."*

2. Regarding the "ownership" matter: I am not often passing through the north so I would suggest that if you are concerned about getting this material into the hands of our solicitor the easiest and quickest way is to forward it to me by post.

With blessings,

The Right Reverend Keith Slater
Bishop of the Diocese of Grafton
