Mr Richard Campion

REDACTED

Dear Mr Campion

Thank you for your letter to the Primate – the Most Revd Dr Phillip Aspinall – dated 4 January 2010.

The Primate and I genuinely appreciate your ongoing distress regarding the matter of the duty of care of the Anglican Church for the children in the North Coast Children's Home. I can only continue to encourage you to contact Bishop Keith Slater and the Diocese of Grafton to have the matter addressed.

With respect, the Primate has advised you previously that he considers that there would be no useful purpose served in his meeting with you and Mr Tony Madden.

Yours faithfully

Rod McLary  
Director of Professional Standards
