Subject: Contact from the Diocese of Grafton

Hello Michael

I have been appointed Acting Registrar in Grafton as Anthony Newby has needed to take extended leave.

I would like to speak with you on CA if at all possible on a number of matters to bring myself up to speed on the Professional Standards issues within the Diocese and preparations in advance of the Royal Commission..

I was formerly Executive Officer of the Diocese of Adelaide (working with Bishop Peter Stuart) and have a great deal (too much!) of experience in this area. There are a number of matters in Grafton which may need immediate attention if you are not already aware of them.

The best number to contact me on is my mobile: REDACTED. I live in REDACTED and work from both home and the Registry in Grafton.

I look forward to speaking with you.

regards, Anne
