Dear Peter

## Anglican Diocese of Grafton - North Coast Children's Home

We refer to your facsimile dated 24 September 2008.

We advise that we have been approached by three former residents of the North Coast Children's Home who were physically and psychologically assaulted by Matron Jean O'Neill and REDACTED

With respect to the compensation or redress being sought, we advise that we would want to proceed with a "without prejudice" informal process such as the one that was undertaken previously.

We are currently in the process of putting together statutory declarations and will forward same to your office once they have been completed.

Would you kindly seek instructions from your client regarding the process for proceeding with these claims.

We will now wait to hear from you.

Yours faithfully
