Subject: RE: Touching base

Hi Michael,

Thanks for your email.

All has been fairly quiet as far as Professional Standards are concerned. A potential new claim just in the last week from 3 new claimants from North Coast Childrens Home. Need to find a few more particulars from our lawyer and then will let you know what is going on.

Other than that all is frantic but well, our concerns are with schools and their debts rather than Professional Standards matters (and me having to apply for this job – but that is another story).

On a personal matter Pat and I were married on May 1st which is very exciting!

Hope all is well with you – I believe you have had another "interesting" matter on the central coast as well as everything else!

Wishing you well and would like to catch up at some stage!

Cheers

Rosie

Subject: Touching base

Hi Rosie,
 haven't heard from you or Grafton Dio in some time. Just wanted to touch base and see how things are going and in particular your PSC.

Take care and perhaps we should catch up soon.

Kind Regards

Michael Elliott

Director of Professional Standards
