Richard 'Tommy' Campion

REDACTED

Dear Tommy,

I acknowledge receipt of your recent correspondence. Unfortunately I don't have the time and resources to respond to all of your letters individually as the volume of them can be at times overwhelming. Since they are largely concerned with the same set of issues, I read them, note their contents and add them to your file which I review and consider from time to time as part of my ongoing work priorities. I trust that you acknowledge any lack of response from my office does not equate to a failure to consider the issues you raise, but rather results from my management of time and resources appropriately.

In relation to your letter dated 15th June 2010 re your correspondence with Mr Chris Thomas of the Episcopal Standards Commission, I will raise with him your concerns however be aware his office and the Episcopal Standards Commission operates independently of my office.

I am in correspondence with Bishop Keith Slater in relation to your matter and the issues you have raised, I will keep you informed of any developments in due course

Take care.

Yours Sincerely

Michael Elliott
