Dear Sir

RE: **THE TRUSTEES OF THE MARIST BROTHERS ATS** DG [REDACTED]

We act on behalf of the Marist Brothers and presently have instructions in relation to this matter.

We write to confirm that Brother Michael Hill has issued instructions that some form of mediation process should now be put together to assist the parties to bring these issues to closure

It may be necessary for an independent psychological assessment to be factored in.

We would expect to be back to you in the not too far distant future.

Yours faithfully
Carroll & O'Dea
