To the  
Bishop of Grafton,  
"Bishopholme"  
Grafton.

My Lord Bishop, I have to acknowledge your letter of 31st July. It was very good of you to send a message through Mr Archdeacon Banyon, & although the Executive regret you were unable to attend the meeting, it is quite understood by the members, that the manifold duties of your high office will often prevent our having the honour of your presence at our meetings.

It is noted with pleasure that the Revs R. Rigby & F.G. Huxley have been appointed by you to serve on the Executive, and notice of the next meeting will be forwarded in due course.

Yours faithfully,

Hon. Sec.
