MATTER: 06-0030

6 February 2007

RE: THE CORPORATE TRUSTEES & NORTH COAST CHILDREN'S HOME

SUBJECT:

T/a Dan Sutherland (NRH) to advise that a letter was on its way and requesting that Rev'd Pat not discuss matter further with Bishop-in-Council until he had received this letter.

T/a Pat Comben; I reported on two conversations from Simon Harrison and Dan Sutherland respectively; Pat said "my instructions are:-

- a. Advise NRH that matter would be considered by next scheduled meeting of Bishop in Council on 22 February.
- b. PJR was not to be involved in any further negotiations in regard to the matter
- c. It was anticipated that the meeting of Bishop-in-Council would confirm instructions to withdraw from any negotiations and to confirm address for service.

Pat commented that Bishop-in-Council members were concerned at the nature of some of the submissions being put forward by Simon Harrison.

T/a Pat Comben; he had received lengthy fax from NRH; after considering matters in fax he suggested that his instructions given earlier today would still remain in place; he agreed that we should forward the faxed letter from NRH to Garth Blake of Counsel for his comments.
