Bishop Philip Freier has been on the phone (Tuesday 4 pm) wanting to speak with you about a retired priest from that part of the world who's retired into this diocese, name Alan Kitchingman. I informed +Philip that the person concerned does not hold Permission to Officiate here.

+Philip would like to speak with you over the next couple of days and I suggested you may wish to talk with him before you come to the office (they're half an hour behind us). His phone number is REDACTED
