

Bernadette can you please advise again the offer by the insurer in covering cost for legal representation. Thank you. My understanding is in reviewing documents. Is this correct?

I look forward to speaking with you soon.

Kind regards

Jennifer

Good afternoon Bernadette

Further to my email below advising that I need more clarity around the facilitation process, I have a number of important questions.

As previously mentioned, I had expected to meet with Pat Mullins prior the facilitation meeting. He confirmed by email we would meet after he received the Report from Prof Dooley. Bernadette as the facilitation date is less than two weeks, may I meet with you soon as it is very important I have a thorough understanding of the facilitation process.

1. Bernadette I accept the offer of the insurer to cover costs for legal representation at the facilitation. My solicitor has confirmed availability to attend. My Solicitor is from Newcastle and he is the only Solicitor I want in attendance. May I request inclusion of costs for flights from Newcastle and accomodation for his attendance. May I also clarify what is the level of support for this legal representation?
2. Bernadette I may require legal advice and wish to discuss what level of support is available from Towards Healing for legal costs.
3. May I confirm who will be in attendance at the facilitation meeting and the purpose of their attendance. I had not been made aware prior to speaking with you that the insurer will be present, can you clarify why they are present at the meeting. Is it envisaged that there will be more meetings?
4. Have you been able to confirm the attendance of Bishop Jarret? It is important to me that he is in attendance as he is the head of the Diocese.
5. I am confirming my husband, best friend and sister will attend at the facilitation. Their support is crucial

Thank you Bernadette

regards

Jennifer
