Dear Mr DK

I write to acknowledge receipt of your recent letter and your return of your College magazines. I am sorry that I have not responded before this, but I only returned to the College yesterday after six weeks away.

I was quite saddened to read of your feelings about your time here at St Augustine's. The experience you describe is one that is contrary to all that the College would want for its students and I can only apologise for any harm that may have occurred. The St Augustine's that I have known over these last eight years is quite different from that.

Your return of the College magazine suggests to me that you would prefer to draw a line under your St Augustine's memories. While, of course, I respect that wish, please know that I would be available to meet or communicate with you further, if you feel it would be of any assistance to you.

Yours sincerely,

Michael Green
