Good morning Alexis,

Attached is my story about abuse at St Augustine's.

I would like the following outcomes through the Towards Healing process as it is to be a success.

- I would like to meet with Brothers Gerald, Peter Rodney and Andrew. I would like to calmly and logically confront them and resolve issues that I have with them. I feel that they were aware of the abuse at the school and covered it up. I also feel that they punished me for Ross Murrins actions
- I would like to meet with Brother Michael Green and then be provided with evidence that the school has some policy / mechanism going forward to deal appropriately with child sexual abuse, both historical and contemporary.
- I would like a cash compensation payment for the damage that I have suffered as a result of abuse at St. Augustine's. As you know, I have told my story to a solicitor with experience in this injury. His advice to me in relation to a compensation claim is in the vicinity up to \$200,000
- I would also like any future psychiatric / psychological treatment in relation to dealing with this matter covered.
- I would like to know how the Marist Brothers and indeed the Church in general is dealing with the issue of child sexual abuse. I hope that this issue is being dealt with correctly.
-

I have come to you as I feel that there are other issues aside from cash that I would like to resolve.

My wife is on maternity leave until mid April.

Ideally we would like to get this process completed during March and all meeting in Brisbane preferably on a Tuesday or Wednesday and we have a baby and my wife's mother can look after him on those days
