Dear DK

Thank you for your email.

I confirm that the Michael Salmon referred to in your email is the Michael who assisted the parties as mediator in your case.

Michael is an experienced and qualified mediator as we did discuss at one juncture prior to the facilitation.

Michael is employed by the Church to supervise the implementation in New South Wales of the Towards Healing Protocol but is also involved from time to time as mediator in such cases.

I would be happy to talk further on this if it would help.

I do hope the move to Toowoomba has worked out well and that REDA is flourishing.

Kind regards

Good evening Alexis,

Could you please tell me if this is the same Michael Salmon that was the independent mediator at my mediation through the 'towards healing process'?
