REDACTED

Dear Mrs Isaacs

I received your letter, and enclose the requested protocol document. It has been extensively reviewed, but the new protocol will not come into force until we have received guidelines from the Australian Conference of Bishops.

If I can be of any assistance to you, please don't hesitate to telephone REDACTED If I am unavailable, leave your telephone number; I have a parish to serve, and am often away from the Presbytery.

With every good wish,

Father James Spence
