Dear Ken.

Please find enclosed the following documents as requested:-

- 1 copy of my police statement
- 1 copy of Judge McGuire's sentencing statement
- 1 copy of my victim impact statement

I copy of my personal statement detailing (1) examples of the abusive nature of Derriman's relationship with me
 (2) information given to the Church regarding Derriman's activities at the time.

Peter Deed also wishes it to be known that a full psychiatric report will be made available in the near future.

I wish to further acknowledge that it is very difficult for me to make the above documents available to Church authorities. These documents deal with very personal and painful aspects of my life. I have to trust that the Church will treat this information with the dignity and respect that it deserves.

I wish to thank you Ken for your assistance to date.

Yours sincerely

Joan Isaacs
