DH [REDACTED] states;-

I am a married woman 59 years of age. I reside at the address of [REDACTED] with my husband [DI]. [REDACTED]. I have lived in [REDACTED] for a period of about 40 years. During that time I have reared a family, all of which have since left the family home.

I have a son [DG] who now resides in [REDACTED]. In early May 1994 I visited [DG] at [REDACTED] and as a result I had a conversation with him. As a result of that conversation I recall the person Brother Celestine, who was later referred to as Brother Raymond FOSTER.

I recall that he was a teacher at the school where my sons attended. I remember that he taught both sons [REDACTED] and [DG]. As a result of that he became friendly with the family and through the fact that my husband [DI] was involved with the junior football. I remember that [DI] was the president and Brother FOSTER was helping with the club.

I often recall Brother FOSTER coming around to our house. The visits became very frequent and there were times when he would come around almost every day of the week. At that time we were living at the address of [REDACTED]. On the times that would come around he would come alone. I don't recall him staying for tea that often but he would be there on occasions when I got home from work. On these occasions he would be there with the boys. I recall that he would let [REDACTED] drive his car once it was inside the yard.

CONTINUED STATEMENT OF:

I remember that he was coming around in the years between 1968 and about 1974. I remember that Brother FOSTER was transferred from the REDAC College to somewhere in New South Wales. I was aware that Brother FOSTER was a Marist Brother.

Brother FOSTER appeared to be a friendly person and he helped out with transport of the children from place to place during the time he was associated with our family. I did not know of any complaint involving Brother FOSTER during the time that he was in REDACTED
