Dear Mr DG

Thank you for your letter of 6 April, 2000.

I appreciate your willingness to meet with me and I would be only too willing to do that. However with you in REDACT and myself based in Sydney, our options are somewhat limited, though certainly not insurmountable.

I will be in North Queensland during the second week of May, with appointments in Townsville and Ayr. I would be able to meet with you in REDACT on either the afternoon of Thursday, 11 May or the morning of Friday, 12 May. (The evening of Thursday, 11 May would not be possible).

You might let me know at your earliest convenience whether one or other of those times is a possibility for you. If those dates are impossible then I am sure that we can find another time.

I look forward to hearing from you.

Yours sincerely,

Michael Hill FMS
