

DECLARATIONS

POLICE STATEMENT:

(Towards Healing – Clause 37 Attd)

I acknowledge that the Catholic Church strongly urges complainants to take complaints to the Police or other government authority. I understand that any process the Church establishes cannot compel witnesses, subpoena documents or insist on a cross-examination of witnesses. It cannot impose the same penalties as a criminal court. Aware of these limitation, I confirm that I do not wish to take my complaint to the Police or other government authority at this time and I ask that the Church Towards Healing process be established.
