Your Lordship, I am proud to
 write to you and thank you,
 but, I feel I must.

Last Monday night
 a party was held in St. John's
 Community Hall at 1000
 St. John's. The music, if ever
 call it that, was playing.
 Having put up with the racket
 until 3.30 A.M. on Tuesday
 morning, my wife decided to phone
 the Parish Priest to ask would
 he do anything about the noise
 emanating from the Hall.

His reply was, and I
 happily agree, if I offend Your
 Lordship, but, I feel I must
 quote the entire answer, "Madam"
 he said, "Did you just call me
 to complain about noise, "Piss off."
 Now, Your Lordship, I
 am intrigued. By the way of
 God. Bless he, from his Nephew.

on Sundays in front people to
 be kind, to see another, to
 be humble, to be charitable,
 to see one another, in the

It seems as if these in-
 change of the House have some
 regard for the paribances of
 the people, especially the sick
 of the elderly people have the
 satisfaction to see near by.

Yours Sincerely,
