Dear Sir,

I am forwarding a copy of a statement signed by a juvenile, **REDACTED**, who was one of three youths involved in charges of theft and goods in custody at Tweed Heads in December last.

The statement is self explanatory and I understand the property involved some \$4000 cash and paedophilia magazines.

For reasons I have verbally explained, the local Police follow up of this matter in so far as it concerns the alleged sexual advances by Father Brown and the possession of the paedophilia material would need to be handled fairly and diplomatically as I am sure it will.

My Department funds the operation of the Youth Refuge in Tweed Heads and naturally I am concerned about the eventual outcome of investigations.

I will await favour of your further advice.

Yours faithfully,

A.J. Maddox
