Dear Sir,

I refer to my earlier correspondence to you dated 24 February, 1986 involving a statement signed by juvenile **REDACTED** one of three youths involved in charges of theft etc., at Tweed Heads in December last. A copy of my letter is enclosed.

I have now received the original statement of **REDACTED** and one from an accomplice **REDACTED** which I also forward for your attention in the light of allegations made concerning Father Brown.

I will await favour of your further advice.

Yours faithfully,
