

SACRA CONGREGATIO
PRO CLERICIS

Romae, August 8, 1987

Prot. N. 180995/I
(In responso hic numerus referatur)

Most Rev. John Satterthwaite, D.D.
Bishop of Lismore
Bishop's House
P.O.Box 1
Lismore, N.S.W. 2480

Your Excellency:

Enclosed, please, find the final decree issued by this Congregation in the case of the Reverend Paul Rex Brown, a priest of your Diocese, who has appealed to this Dicastery against your decision to remove him from the pastorate of Tweed Heads, N.S.W.

As you can see, the decision confirms the decree of Your Excellency to remove Father Brown.

We trust, however, that, as you say in your last letter to us, "Father Brown will be adequately provided for" and "if Father Brown, with appropriate professional help, can rehabilitate himself, I would gladly welcome the opportunity to consider him for appointment to an ecclesiastical office within the Diocese".

In this sense, we are writing to Father Brown to communicate our final decision.

With sentiments of cordial esteem and every best wish, I remain

Faithfully in Christ,

+ P. Antonini
