Thanks Bernadette. I had a long chat with the bishop yesterday, I will touch base on Monday in detail. We can work though the bishop not being able to attend on 24 May. I will ask Chris to send through his bio / CV and I will speak to Michael Salmon who should be place to talk to JI about Chris Wallace attending in the 24th and JI having the opportunity to meet with the Bishop at a later date. Chris will be good as he is involved in professional standards, protection and prevention measures and preparing for the RC. Give me a buzz on my mobile on Monday and we can talk. I'm doing a facilitation but will be able to talk at some points. Have a good weekend. Emma

Good afternoon Bernadette

My apologies for the reply at the end of the day. I have not been able to get to respond until now.

Thank you for the communication yesterday.

I am confirming the facilitation date for the 24th May Thank you

Bernadette I have a number of questions. May I meet with you in person next week. I need to ensure I have a thorough understanding of the intent/outcome of the facilitation.

I would like to ask for Bishop Garrett to attend the facilitation.

I am unable to confirm by COB today attendance of Professor Dooley.

Bernadette can you please advise again the offer by the insurer in covering cost for legal representation. Thank you. My understanding is in reviewing documents. Is this correct<

I look forward to speaking with you soon.

Kind regards

Jennifer

Dear Jennifer

I have taken over from Pat Mullins as Director of Professional Standards.

I would like to speak with you to talk about the next stages and identify what support you will need. Please advise a time it would be convenient for you.

The next step is a facilitation with a representative of that Lismore Diocese.

Michael Salmon, my counterpart in Sydney and an extremely experienced facilitator has agreed to make himself available for this process He is available either 23 or 24 May with a preference for the 24th. These dates might not be convenient for the people you would like to bring with you. If these dates are too soon can you tell me some dates that might work for you in June or July.

I hope to speak with you shortly but wanted to give you information about possible dates as soon as possible.

Bernadette Rogers
