Good evening Alexis,

Until this afternoon I have put very little thought to any actual compensation. All of my thoughts have directed at Ross Murrin, Gerald Burns, Andrew Morarahn and Peter Rodney.

When it comes to compensation my thoughts go to my responsibilities to my new born son and what he needs. I believe that I am responsible for his education. However as a result of the sexual, physical and psychological abuse that I suffered at the hands of the Marist Brothers basically I am basically unable to work.

Could you please email me the fee schedule for all grades, Prep to Grade 12 that a parent is looking at paying for Marist Brothers Ashgrove. This is important to me as it is that standard of education that I want for my son and which I think that he deserves.

I would like to calculate what I think that I need have financially speaking to educate my children and school fees are a very large component of this.

I think that you would understand that any man would want this for his family

DK
