Thanks Chris. Good for CCI to be involved now. I'll have a read of the material and see if we need lawyers otherwise I can just assist at facilitation. I have just landed back in Melbourne. I am in the office to to tomorrow. If you could email through what you have I'll come back to you tomorrow. Many thanks Emma

Fr has form in this area and Bishop has agreed to go straight to facilitation rather than spend money on an Investigation. This is through the Towards Healing Protocol and the Professional Standards Office in Brisbane. I am wondering at what stage you want to be involved? Do your solicitors wish to be part of the facilitation or do we do that first and then come to you? I will send you what I have and await your advice.
