Dear Bishop

Nancy filled me in on the background. I contacted Michael Salmon (PSO) who said he was unaware of any issues with Jennifer and suggests that this has arisen from the Pastoral meeting you had with her. He suggests you go ahead and meet with her (with me close by in case anything arises) and see what comes of the meeting. He doesn't suspect an ulterior motive. If she seems to want to make a habit of coming to see the Bishop, you could reinforce what was said at the meeting that the appropriate person is myself as you will be away a lot and unavailable most of the time. If she arrives with someone in tow then it would be advisable that I sit in as well.

If you are happy with this I'll get Nancy to confirm 3pm on 28.8.13 and I'll be here.

Regards
Chris.
