Majors Cliff and Marina Randall
INNER WEST AGED CARE SERVICES

Dear Cliff and Marina,

RE: CENTENARY MEDAL AWARD

Please accept my congratulation upon being listed among this years Centenary Medal Awardees.

For you Cliff the citation indicates it is for service to the community through alcohol and drug addiction and homeless men accommodation. In particular I want to acknowledge your distinguished service in your appointment at the Foster House Complex. I know it was a most challenging appointment for you. The clients were not always gracious, but I acknowledge that your term included the period when the service moved from the old Foster House to the new complex and program.

Please be assured that the Officers of the Sydney East and Illawarra Division join in this note of congratulations and appreciation.

May the Lord continue to use the faithful service you both offer him through The Salvation Army.

Christian greetings.

Yours sincerely,
