Hi GH [REDACTED]

Thanks for your note.

I guess this has been a difficult experience, but its all part of the healing process for you.

I look forward to receiving your statement.

It would be best to say in your closing remarks something like .. "Major Chris Witts visited me on 23rd April 2006 and apologised on behalf of The Salvation Army for the emotional and mental injuries I got from Goulburn Boys Home . I understand from Major Witts there could be some financial assistance available to help me get on with the rest of my life after my 11 years in the Home. I would be grateful for this financial assistance".

This would be the best way of wording your statement.

God bless.

kind regards

Chris
