REDACTED was spoken to in relation to any knowledge he may have had about sexual assault at the Bexley Boys Home, he made the following points:

- he resided at the Home from 1973 or 1974 for 15 months, was released then spent another 12 months at Bexley some time later. REDACTED was one of the older boys at the Home and was 12 or older during his stay there.

He remembers one incident when X15 personally supervised the showering of a boy named REDACTED (surname not remembered). X15 made the boy scrub his penis and anus with soap for an elongated period of time. X15 then took REDACTED into his office. When REDACTED returned from the office he was very upset. REDACTED was aged between 8 and 10 at the time and was one of 3 brothers at the Home, the younger brother being about 5 years old.

- REDACTED also claimed he was suspicious of a temporary officer nicknamed REDACTED. This person used to look after the dormitories. The name of REDACTED is not known at this time. REDACTED remembers one occasion when an older Aboriginal boy, X8 was sexually assaulting a younger FV. At the time REDACTED stood by watching the assault.
