 Subject: Toowoomba Catholic child protection policy

Dear Debbie,

I was talking to Margaret Hendriks from Toowoomba Catholic Education. She asked whether, now that the QCEC child protection policy had been approved, they have to resubmit their policy. I said that this was my understanding. She said that they will now write to the Board to say they are resubmitting and then they will provide their revised policy.

regards

Patrick

12/9/05 - Telephoned Margaret & confirmed that she will need to re-submit. She advised that they will adopt the QCEC manual & will provide the additional material i.e. S10(6) & S10(7) and student reporting policy.

- I am to call her with any queries.

- She will hopefully have it to me within the next couple of weeks

D. Tanzer.
