---

- Margaret telephoned and put the call on to speaker with Ian present in the room. We discussed my earlier advice of 22 December 2005 and they advised that they will send in
- ✓ section 5 dealing with student reporting in response to subsection 10(3).
  - ✓ They will amend page 7, section 3 by removing "paid".
- They will also amend page 8 (1) to add or a director of the governing body" and explained
- ✓ that the governing body is the Bishop and there are no other directors. The Bishop delegates education management responsibilities to the Director, Catholic Education Office.
  - ✓ Margaret will also amend page 8, (2) to allow report from staff member to principal/SPC (and allow consultation with SPO) and page 9 will be corrected also.
  - ✓ I also requested a copy of the form for section 76AA of the Regulation.
