Dear Reverend Finnigan

I refer to the correspondence dated 20 October 2011 from The Corporation of the Roman Catholic Diocese of Toowoomba (the "Corporation") under the hand of Fr Brian Sparksman) in connection with the 19 August 2009 compliance notice issued by the Non-State Schools Accreditation Board (the "Board") under the *Education (Accreditation of Non-State Schools) Act 2001*.

Thank you for providing a copy of the Corporation's report of the implementation and training for the revised student protection policy. The Board considers the implementation and training program meets the requirement as described in the 2009 compliance notice.

As this was the sole remaining matter of non-compliance, the Board is now satisfied that the Corporation has met all the requirements of the compliance notice.

Yours sincerely
