Dear Terry,

**Memorandum of Understanding – Redress WA Scheme
 Department for Communities (Redress WA) Access to Client Records held at
 Department for Child Protection**

Please find enclosed the Memorandum of Understanding signed by Susan Barrera, Acting Director General Department for Communities.

As Redress WA has commenced operations on 1 May 2008, it would be appreciated if you could kindly progress this matter as soon as possible.

In due course the writer looks forward to hearing further from your Marie Waldeck to commence the process.

Thank you for your kind assistance

Kind Regards,

 Steven Bradford
 A/Executive Director
