Subject: Counselling

Dea YB

When we last spoke I mentioned the availability of counselling for you and members of the family. The decision of whether or not to avail yourself of this service is entirely up to you, REDA and or the boys.

This counselling service is totally confidential and independent of the School. The counsellor will not be providing any reports but will simply be submitting their invoice to the Anglican Church Office for payment of the account. I understand that ten sessions are available to your family, but if more are needed we can work out a way forward

Should you use this service, please quote file reference (X09-016 from the Diocese of Perth). This needs to be done when you make your booking.

The counsellor is:

Peter Dunlop – Registered Clinical Psychologist
5/316 Onslow Rd
Shenton Park, 6008.
Ph 08) 93886834 Fax 08) 93812839

Stay well,

WD
