Dear WP's Family

Thank you for the opportunity to meet with myself and WO - Chair of School Council on Tuesday 27 July 2010.

I also appreciated the opportunity to meet with WP and I am so pleased that he is constructively working through his abuse in such a positive manner. He is a young man of exceptional quality.

My thoughts and prayers remain with you all, especially with the sentencing of Mr YJ scheduled to take place on 27 August 2010.

Yours sincerely

WD
