Dear WD

YB came home yesterday afternoon upset after going to the prep school office to see REDACTED about trying to get hold of a photo from an old REDACTED (MAGAZINE?)

When she walked into the office YI was at the front desk. The conversation turned to the YJ case so YB asked YI directly what her stance was re YJ since the finalisation of all proceedings. She stated that there were 12 of his peers still believing in him and that she had not changed her opinion and stood by what she said in court.

YB walked out of the office upset and bumped into WY in the car park. WY obviously asked why she was upset and consequently the matter was discussed.

This is for your information because when the parent body of the prep school get this information I do not believe they will be very happy with staff of the school still supporting a convicted paedophile.

I believe there are only two ways to take this:

1. These Prep school staff condone paedophilia. *SEPERATE THE ACTION / CRIME FROM THE REASON.*
2. They believe that the boys are liars and that the judge, jury, DPP and police have all got it wrong.

This is of concern to me but it will be of more concern to the current parents of THE SCHOOL

I do believe people have the right to an opinion, but again it shows that some staff have not been educated in the ways that a paedophile operates. How can THE SCHOOL move forward? I am losing faith.

I know that you are leaving at the end of this year, but from what I can see you seem to be the only one in the whole school that has shown any compassion and understanding.

If you would like to discuss this with me please do not hesitate to contact me by phone REDACTED

I have not discussed any of this with YA. The less he knows of the support that YJ has within the school, the better.

I have spoken to YA and he indicated that he would like to have a chat to you. He is quite happy to come to the school, if you have any free time tomorrow afternoon. Let me know and he will be there.
