Dear YJ

I am writing to you as a follow up to the letter I sent dated 10 November 2004 in which I formalised the discussion that we had in my office in the presence of Mr YK regarding what I considered to be unprofessional behaviour on your part.

At the bottom of that letter there was space for you to sign as acknowledgement of having received the letter. I have to date not received your signed copy of the same. I am making the assumption that you received the stated letter, and if this is not the case, then please contact me and I shall send another copy to your home address. If you have received the letter then I would ask that you acknowledge receipt of the letter by return correspondence.

Yours sincerely,

WD
