**Subject:** REDACTED Heads of House Announcement

To Heads of House

We have become aware that many of our students are using the internet to try to find out about YJ. For the great majority of them this seems to be prompted by genuine worry about younger brothers and sisters.

Would you please read this out at Morning Parade:

Any student who feels he would like to talk to someone about Mr YJ is encouraged to go to the Counsellor, REDACTED or the Chaplain, Father YH.

Thank you.
