PRIVATE & CONFIDENTIAL

WW's Family

Dear WW's Family

Attached to this letter is a second letter which I have sent to all THE SCHOOL families. It pertains to the recently concluded trial and I thought it important that you be aware of the correspondence that is being disseminated.

You will, I know, appreciate the need for the Headmaster to communicate with the School's families regarding the outcome of the State versus YJ trial – hence the attached letter.

I wish to reiterate my previous offer to meet with WW and WX in the near future should that be your desire and that of your sons.

In the meantime please accept my best wishes for a period of relative quiet and peace, especially given the recent months of high emotion, worry and stress.

With warm regards

WD  
HEADMASTER
