YA's Family

Dear YA's Family

Thank you for the opportunity to meet with myself and Mrs WO - Chair of School Council on Thursday 29 July 2010. In regards to the discussion that took place you will appreciate it is not a matter that the Headmaster can address without consultation with the School Council.

To this end we are awaiting the outcome of the sentencing of Mr YJ scheduled to take place on 27 August 2010, after which I will be in contact.

My thoughts and prayers remain with you all, and especially with YA given the upcoming sentencing.

Yours sincerely

WD
