

Year 4 D students, with Mrs REDA present.

"Girls and Boys I need to inform you that YJ, who had taken some Personal Leave, will now not be returning to THE SCHOOL. THE SCHOOL You may have heard that YJ has been charged by the Police and this matter is now being dealt with by the Police and the legal system. I cannot, at this point in time tell you any more than this. I can tell you that YJ is receiving all of the professional assistance and help that is necessary. We are fortunate that Mrs REDA is available to teach Year 4D for the remainder of this Term and also for Term 4.

"If any of you, in any way, feel as though you need to talk to someone about this matter, or you are feeling unsure, then I am always available to talk to, as is Mr REDAC, Father REDA, Nurse REDACTE and our School counsellor, Mr REDA - we are available at any time."

I will ask if there are any questions as I feel as though I should. My generic response will more than likely be I am unable to make comment, to any reference to Police questions etc.
