

THE SCHOOL

Date 9.9.09

From: The Headmaster

- A long interview with YA's Family
- Discussed YA joining at THE SCHOOL
- Highs & Lows while at School
- Distress until the way YK did not (on paper at least) respond to the WF letter of 2001.

I offered counselling for the family and YA

I also offered to meet with YA just to

'talk' - off campus should be used to.
