Further, Kath, I have emailed the club previously, as below, but received no reply.

I also emailed the club about this issue in about 2009, and received no reply. However all of my emails from that time were lost in a computer problem, so I don't have a record of it.

Hi Katherine,

Yours are still the listed contact details on the NSW Swimming website (updated 9/1/13). Could you please reply to my earlier question below?  
Thanks.

I just got your details off the NSW Swimming website. Could you please verify that you are the correct contact person for Scone Swimming Club and also whether or not the club still awards the Stephen Roser Breaststroke trophy at the annual awards? This was something that began when I was a member in the mid-1980s and I would like to know if it continues? Thank you.

Regards,

AEB
