Dear Margaret,

I am writing to thank you for the session you presented at our New Worker Training Program in March. Feedback from participants indicated that they found your session very relevant and useful to their work. Participants enjoyed the chance to meet you and ask questions. They found you to be very approachable and would not hesitate to contact your unit if any legal problems arise.

Once again, thank you for your time and effort in preparing and presenting the session. It was definitely of great benefit to participants and contributed to the overall success of the training program.

Yours sincerely,

Pam Swinfield
