Dear Margaret,

Just a quick note to thank you most sincerely for another great effort last Saturday at the Sexual Assault Workshop.

We couldn't do this without you. The course is gaining some recognition now and the joint consultive committee for the College of Obstetricians and General Practitioners have asked whether we would consider running a small Workshop on Saturday the 21st of July at the Darling Harbour National Meeting.

I think this is an excellent opportunity to show-case the Workshop but we would very much require your cooperation in doing this. I am sorry the numbers were small. As you probably realise a total of 18 Registrants were received of which only 9 turned up.

If you can let me know whether you might be available on Saturday the 21st of July for this program I would be very grateful.

With Best wishes and thanks again,
Kind regards,
Yours sincerely,
