Dear Ms Clare

I refer to my letter dated 29 March 2004 providing advice in the matter of Scott Volkens.

I refer also to your request on 1 April 2004 for further clarification of the scope of that advice.

I confirm that in my view, on the basis of the admissible evidence now available and in accordance with the law and your Prosecution Guidelines, there is not sufficient evidence to support any of the suggested charges in relation to Mr Volkens' conduct vis a vis Ms Rogers, Ms Boyce or Ms Gilbert REDACTED. Consideration of the discretionary factors applicable in each case serves to strengthen that view.

Yours sincerely
