Dear Keith,

I am looking for clarification regarding Pastor Frank Houston's standing within the AOG.

As Frank and Hazel's Pastor for the last 12 months I have seen them fit into our church extremely well. Hazel is involved with our Seniors Ministry and is currently organizing a National Seniors Convention that we will be hosting in November. Frank attends our Sunday Services faithfully as well as our Prayer and Seniors meetings. They have been very respectful to our movement in every way.

What I would like discussed is Frank's discipline and restoration period clarified. Frank has no desire to preach or for public ministry in any way. However, if he was called upon to pray for someone at the altar or to deliver a prophetic word he is not sure if that is acceptable or approvable by the National Executive. I would like to treat Frank as the same as any member of my congregation who is not in public ministry.

If you could give a directive on this I know it will be very helpful to both Frank and Hazel.

Yours in Christ,
