### **RCV Statement on the David Kramer conviction**

With the conclusion of the trial of David Kramer the Rabbinical Council of Victoria (RCV) is now able for the first time to comment lawfully on the case. The RCV publicly expresses its utter condemnation of the actions of convicted pedophile David Kramer and the abuse he perpetrated on innocent school children.

The RCV condemns in the strongest possible manner the sexual abuse of children and expresses its deepest sympathy for those David Kramer abused.

As stated on numerous occasions, individuals with information about the sexual abuse of children are urged to bring this information to the police.

RCV President Rabbi Meir Shlomo Klwngant said that he was encouraged by the outcome of the court case. "Perpetrators need to know that they will be exposed and held accountable for their despicable crimes. This outcome also sends an important message to those who have been abused that perpetrators will be prosecuted and punished" said Rabbi Klwngant.
